

Initial Meeting Notes

Creative Director: Claire

Designer: Emme

Keep it bright and happy overall! Ideally use the bright Wonder Woman colors to show the origins of the character as opposed to the dark colors people might currently associate with her. The website might not end up matching the goals that I set out in some of the other documents—just stick to worrying about what is available on the Wikipedia page.

Multi-page site

Bright colors (Yellow, Red, Blue)

Comic book-y scheme
